Dear Mr. Weisberg,

I read your excellent book "Whitewash" and enjoyed your recent comments on the radio in the Bay Area.

I did not vote for Mr. Kennedy because this Roman Catholic Church is the enemy of our Constitution and dogmas that solemnly by its members. This was not well known in the past, but it is now. Toleration, to our peril! I fear for my beloved country & the disintegration of those great concepts of freedom, which is not now fast advanced.
